VIKAS JETHANI

+91-8889080971 | vikasjethani2004@gmail.com | linkedin | Bhopal, India (willing to relocate)

Computer Science student at VIT Bhopal with academic project experience in Python, SQL, data analysis, and machine learning. Interested in investigating technical issues, learning new tools, and making technical information easier to understand. Looking to build practical experience in a technology-focused role within an education and training environment.

TECHNICAL SKILLS

Programming Languages: Python, Java, JavaScript, SQL
Backend and Databases: Django, FastAPI, REST APIs, PostgreSQL, MySQL
Data & Machine Learning: Pandas, NumPy, Matplotlib, Plotly, Scikit-learn
Computer Science Fundamentals: DBMS, OOP, Data Structures & Algorithms

ACADEMIC PROJECTS

Project Sentinel: Hazardous Asteroid Prediction

Python | Pandas | Scikit-learn | Matplotlib | Google Colab

- Developed a machine learning model to classify asteroids as hazardous or non-hazardous using NASA data.
- Trained and compared three classification models, achieving 91.77% accuracy with Random Forest.
- Performed data preprocessing, exploratory data analysis, feature selection, and model evaluation using precision, recall, F1-score, and confusion matrices.
- Built an interactive asteroid prediction system with feature-importance analysis to identify key factors.

E-Commerce Data Analytics Platform

Python | Django | PostgreSQL | Pandas

- Developed a Django-based web application for managing and analyzing product data.
- Built REST APIs using Django to perform product search, retrieval, and management operations.
- Used PostgreSQL for database management and Pandas for basic data analysis and reporting.

EDUCATION

B.Tech in Computer Science & Engineering (Education Technology specialisation) **2023 – 2027**
VIT Bhopal University | *CGPA: 7.35*
Class XII | Mithi Gobindram Public School | *77.6*

CERTIFICATIONS

Earned Elite Gold Medal in NPTEL Course "**Internet Crimes and Cyber Security**" with a score of **99%** Certificate
Scored **96%** in Coursera Course **"Applied Machine Learning in Python"** Certificate
